The Richards family for the
loss of a young son.

Prayer from the Church Body for
these families that are torn by
loss of loved ones especially our
young ones. Having been in recovery
from losing my Daughter Amber
New Year's Eve before last, I
personally know that prayer
with our father is the key
to healing that hole in our lives
that seems unhealable. I've
found the way to truth and life
and how to find God's will in
her leaving us. I pray these
families can find it too. James
