Providing legal assistance to low-income & poverty individuals with civil legal problems

Getting Started

The Greater Bangor/Brewer & Penobscot County Transitional Services & Resources Directory is produced by The Mansion Ministry and The Maine Prison Chaplaincy Corps. We are an outreach ministry comprised of individuals from various faith traditions and life experiences working to benefit people in need no matter what their life circumstances. This directory attempts to gather into one place information on the available resources in the greater Bangor/Brewer area, the extended areas of Penobscot County and where applicable the State of Maine. Website addresses have also been included for many organizations. In many cases additional information can be found on their web pages. Whenever possible we suggest you call those whose services you need to get any additional or updated information. We hope that you will benefit from the information contained in this directory.

The Mansion Ministry believes that a relationship with Jesus Christ is essential. We also understand that physical needs must be met. To some - that is a challenge. There are many organizations that feel driven to provide some of those needs without charge, we are among them. By putting this directory out, we hope to make it known who these organizations are and what they provide in the way of meeting these needs. This directory is not meant to be an endorsement of the organizations' programs and faith. Please contact us if you would like to hear more about what we believe.

If your organization is not listed in this directory and you wish to be included, or if you are listed here and either wish to be removed or have updated information you may contact us via email at mansionministry@gmail.com.
